Dear patrons,

Today we announce with a heavy heart that Seoul Korean Restaurant will permanently close its doors as of Sunday January 23<sup>rd</sup>.

A lot has changed since we first opened our doors in Saskatoon 11 years ago. Korean culture has become a mainstream giant— BTS frequently tops the North American charts, while renowned chefs on television can be seen using Gochujang and Kimchi liberally in their dishes. Looking back on how relatively unknown Korean cuisine was, especially in Saskatoon when we first began our journey, it's incredible how far we've come.

Thank you for sharing with us your fond stories of visiting, working, and living in Korea. You rekindled warm memories of home, and reminded us that Korea is a welcoming place for Canadians, just as Canada has been for Korean immigrants and visitors alike.

Thank you for your loyal support and patience over the years. Consistently keeping Seoul up to the standards of our patrons wasn't always easy, and your patience during the busy hours was always appreciated.

We'd like to think we played a small role in elevating Korean culture and cuisine along with the Hallyu Wave, and it brings a huge grin on our collective faces. None of this could have been possible without your unrelenting support and encouragement. We thank you again from the bottom of our heart.

With gratitude,  
Seoul Korean Restaurant
